For you only. We do have a plan, leadership and hopefully will but in the near term we could easily be Baltimore. People in Memphis certainly think we are very similar. Detroit St. Louis New Orleans and Baltimore sound too much like us. Only Chicago screams as more out of control. Not the facts necessarily for any of this but the perception. Just wanted to bring your optimism short term down a notch. Mike Williams does not help either. Thx

Interesting article. We are on the right track. Apparently, Baltimore is not.
